

THE GIFT OF LOVE

- 1. Jesus I come to you today
Before my friends and family
This is the day that I've been waiting for
For I'll receive the Bread of Life**

Chorus

**Jesus I want to thank you
For this very special day
When you gave your life
A gift of love to me
Jesus I want to tell you
What a loving friend you are
How you're always there
And always show the way
Show the way**

- 2. Jesus I want to learn to be like you
I try my best but it's hard to do sometimes
When others hurt me and it seems I'm all alone
I think of you and I feel strong**

- 3. Jesus you fill our lives with joy
We sing to you our voices raised as one
Brothers and sisters of one great big family
Sharing together through it all**
